## WARREN COUNTY MEALS AT HOME PROGRAM

*The Warren County Meals At Home Program provides a hot lunch to homebound residents which are delivered by volunteers Monday thru Friday. If you are 60 years of age or older, homebound or unable to leave your home except to go to medical or other essential appointments we are here to help! If you do not meet the above criteria we encourage you to attend the Senior Nutrition Centers for social and recreational activities that are available to you and are listed below.*

*Our agency, Visiting Homemaker Service, a non-profit 501 (c)(3) home care organization, has provided In-Home care to thousands of Warren County residents for the past 53 years. Certified Home Health Aides supervised by Registered Nurses assist clients with their activities of daily living enabling them to maintain their independence and live safely at home for as long as possible. We also provide free Caregiver Education & Support Visits by registered nurses and coordinate the New Jersey Statewide Respite Care Program which provides primary caregivers with a necessary and much needed break from the 24 hour responsibility of caring for a loved one. In addition, our 7 Volunteer Programs: Warren County Meals At Home Program and Volunteer Connection Program (Chore Corps, Essential Transportation, Money Management Assistance, Volunteer Shopping, Friendly Visitor and Telephone Reassurance) help clients maintain their highest level of self-sufficiency.*

*If you would like more information on any of the Programs listed above, please feel free to call our office at (908) 689-4140 and we will be happy to answer any questions you may have.*
