

Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities, and hope.

Since 1999 Warren County Habitat for Humanity, a nonprofit, Christian Housing ministry, has been building simple, decent and affordable homes in partnership with those in need. Qualified Partner Families purchase the home at an affordable mortgage. Each adult is also required to put in 250 sweat equity hours.

The driving force behind the organization is its volunteers—those who contribute a day, a week, or years, to make Habitat's vision a reality. We need help from the community now more than ever to make the 2020 WCHFH Blitz Build vision a success.

We build strength, stability and self-reliance through shelter

20 Years of Making a Difference

- 17 Homes built in Warren County
- 225+ Repair projects
- 50 Homes funded internationally
- 2,000 Volunteers = 210,000 hours
- Over 3,000 tons of material sold at the ReStore diverted from landfills

What is a Blitz Build?

Our biggest event of the year! Celebrating twenty years, WCHFH is excited for our first Blitz Build home. Beginning July 22, 2020, with the help of over 200 volunteers, we will be building a brand new Habitat home in just 10 DAYS!

Franklin Township has donated land on Beidleman Road on which WCHFH has agreed to build six homes over the next three years. During the summer of 2020 we will build the first two homes on this property, one of which will be the Blitz Build. These will be the 18th and 19th homes built by WCHFH.

This exciting event brings together Partner Families, sponsors, organizations and volunteers from across Warren County to help build decent, affordable homes for qualified families.

We have already begun preparing for the Blitz Build, so find out how you can help.

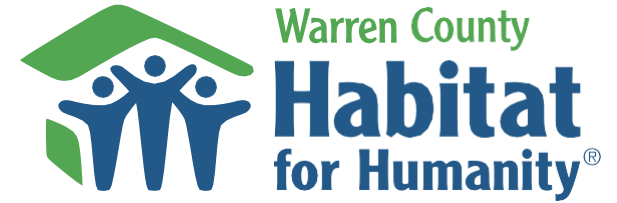

Why a Blitz Build?

- 1) To provide a home for a deserving family.
- 2) To bring the community together.
- 3) To increase our volume of volunteers and donors.
