

BAG UP NJ

On Nov. 4, 2020, Governor Phil Murphy and the New Jersey Legislature enacted the most progressive bag ban law in the country. The law reduces litter and encourages the use of reusable bags by phasing out single-use carryout bags.

The law bans single-use plastic bags, regardless of thickness, at grocery stores and retail establishments, as well as paper bags at grocery stores at or larger than 2,500 square feet. It also bans polystyrene foam takeout food containers and other products such as plates, cups, food trays and utensils. As of November 4, 2021, plastic straws will only be available upon request.

The "Bag Up NJ" campaign is the New Jersey Clean Communities Council's new single use plastic and paper bag ban outreach campaign, which has a simple message: Bring your own reusable bag(s) when you shop. Get in the habit before the law officially goes into effect on **May 4, 2022** in NJ. Visit www.BagUpNJ.com for more information and downloadable artwork.
